By DK

DK Publishing (Dorling Kindersley), United States, 2016. Paperback. Book Condition: New. 274 x 211 mm. Language: English . Brand New Book. Get Ready to Play, Get Ready to Learn, Get Ready for School! Bip, Bop, and Boo Get Ready for School: Adding and Taking Away is a Level 2 activity playbook that supports early numbers skills and inspires confident early learning. Featuring the characters Bip, Bop, and Boo, this playbook uses familiar situations for children to work out adding and subtracting up to 10. Children use stickers to understand addition, subtraction, and counting at the zoo, at the beach, or in the kitchen. The interactive math games and hands-on activities help children move from basic number recognition to understanding number groups. By using easy-to-understand questions that encourage interaction and large, clear images, early learners can visualize number concepts. Complete with a certificate of achievement, Bip, Bop, and Boo Get Ready for School: Adding and Taking Away is a fun introduction to math that builds a solid foundation in number skills. ### Reviews

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).*
