Createspace, United States, 2014. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the author of the award-winning, *Growing Up With Ghosts*, *Vacationing With Ghosts* is an account of Sharon Day's childhood summer home and the haunted local area, told from the point of view of the author as a psychic child in the 1960s and 1970s. This nostalgic look at Mobjack Bay and the quiet inlet where the family's summer home was located is both a beautiful accounting of a magical time and place, and also an insightful view into how a psychically sensitive child deals with an ever-changing landscape of spectral comings and goings. From stories of pirate ghosts and blue orbs of floating lights in the graveyard to the lonely female ghost screaming on The Bay, Sharon Day transports the reader with her to dark and misty inlets, unsolved mysteries, quirks of nature and other realms using the very insights she utilizes today on her popular blog site, *Ghost Hunting Theories*.
