*Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is about my personal search for God, and is an account of how God became more than just an abstract notion to me. It is also a narrative detailing how I arrived at my unique interpretation of heaven and hell and my reason for believing that we have always existed in the mind of God. I explain how I eventually came to terms with the mind-numbing concepts of eternity and infinity. My original intent was to compile some personal thoughts for my children to read later in their lives. I want them to ponder God s awesomeness and think about the true purpose of life. I also want them to remember how important it was for me to have put God into the center of my life during a difficult time. If this book helps just one person find God in this godless world, then it has served its purpose admirably well.
