Brand New Book ***** Print on Demand *****.Excerpt from The Boy Scout Song Leader s Manual This manual has been prepared to accompany the Boy Scout Song Book. All directions contained herein have been made as simple as possible, in order to appeal to the boys themselves. No attempt at symphonic or choral conducting has been made. Just enough of the technique of directing has been suggested to make it possible for anyone, possessed with qualities of leadership, to lead in the singing of the songs found in the Boy Scout Song Book. In offering this new book to the field, the National Council believes it is making a vital and constructive contribution to the cause of Scouting. Group singing is a potent force for good-fellowship, happiness and high morale. The singing hour may do more than any other feature to bind scouts together and deepen their sense of loyalty to scout ideals. (From Introduction to Boy Scout Song Book.) The aim of the author has been to aid scout leaders, and help in the spread of the gospel of group singing.
