

Collaborative Futures: A Book about the Future of Collaboration, Written Collaboratively (Paperback)

By Mushon Zer-Aviv, Mike Linksvayer, Michael Mandiberg

Lowercase Press, United States, 2010. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The true nature of collaborative culture as a form of creative expression in the context of digital and network technologies has remained elusive, a buzzword often falling prey to corporate and ideological interests. This book was collaboratively written by six authors, as an experimental five day Book Sprint in January 2010. Developed under the aegis of transmediale.10, this third publication in the festival's parcours series resulted in the initiation of a new vocabulary on the forms, media and goals of collaborative practice. In June 2010, the book was rewritten as a part of the Re: Group exhibition at Eyebeam, NY. This second edition invited three new authors to challenge the free culture sentiment underlying the original writing. The result is a deliberately multi-voiced tone pondering the merits and shortcomings of this new emerging ideology.

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.
