Between passionate romps in a private villa on the resort island of Djerba, off the coast of Tunisia, Liam and Aidan must face down bombs, guns, and the pressure of their own testosterone. Who s trying to run them off the road in Tunis, orchestrating rock-throwing demonstrations, and issuing death threats? What s Karif s connection to a prominent Palestinian politician? But in the end, once Aidan and Liam save Karif, they still have to find a way to work together without destroying their romance.
