## Psychiatry PRN: Principles, Reality, Next Steps (Paperback)

By -

Oxford University Press, United Kingdom, 2009. Paperback.  
Book Condition: New. 262 x 190 mm. Language: English . Brand New Book. Psychiatry PRN contains core content for psychiatry education, but gives prominence to clinical and practical skills, as well as exam preparation. PRN is a Latin medical acronym meaning Pro Re Nata (as required). These letters also inform the structure of the book into the parts: Principles, Reality and Next Steps. Each of the main chapters opens with Principles, which cover the key characteristics of a psychiatric condition. This is the typical ground of textbooks, and this book covers all the necessary ground as concerns undergraduate learning outcomes, but is arguably more succinct than standard works on the subject. Nevertheless, illustrations and the careful use of pedagogic features (prominence given to key facts, tips and points of reflection, as well as effective use of tables) lift even this most standard area of coverage. The Reality section is where this book begins to really distinguish itself, with a practical articulation of clinical skills for the novice. This involves sample dialogue which might form part of the psychiatric interview, which bravely, yet skilfully reflects the reality with which patients present, and the difficulties...
