America Star Books, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.It s Christmas and the season has arrived. Santa is off and flying, but wait. Mrs. Clause has forgotten something. What will Saint Nick do without his magic dust? How could this have happened? What about the good boys and girls, the young and old adults who believe in the great spirit of Christmas? Is Mrs. Clause to blame for the biggest boo boo of the year, or will Santa somehow save the night? Ho Ho Ho. read on and you ll know. Would you think of me as a little eccentric if I told you that my tree stands decorated in a corner of my family room all twelve months of each year? It never leaves, and the lights may wink and blink when I feel the need to watch them. Tthe fireplace burns bright and stockings are hung there with my best wishes for Santa and Mrs. Clause. It s what I love to do for such a wonderful couple who along with story tellers have given us such a wonderful day. Every human that knows God can understand a gift of seasonal joy. I think of Jesus Christ, God s only son, who was given to mankind for peace, good will, and love to all the world.
