This is the April installment of the 2015 edition of the series American History a Day at a Time. The April edition covers the historical events of the American colonial frontier that happened in April. American History a Day at a Time - April 2015 focuses on the colonial period of American history. During this time, the British, Spanish and French established colonies on the North American frontier. The establishment of these colonies had profound effects on the local Amerindian population. The colonies also played a role in European Wars as the powers jockeyed for supremacy. The European colonial history of the North American frontier began in the Fifteenth century. It continued until the beginning of the American Revolution in 1775. The history of the colonial frontier era of settlement is one of histories most fascinating stories. It you have ever read those This Day in History headings in newspapers and on a multitude of websites, you...
