

The Wilson bulletin Volume 32-34

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 218 pages. Dimensions: 9.7in. x 7.4in. x 0.5in. This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1920 edition. Excerpt: . . . lightning as a curtain-raiser, it commenced snowing, and continued through the night; all the next day we were in the grip of an old-fashioned Iowa blizzard. It was worse than any storm we had received during the preceding winter. With snow nearly a foot deep on the level, drifts three to six feet deep a common occurrence, and in the blinding snow as well (which was very wet), the birds were in a poor position to secure food. Early on the morning of the blizzard, April 16, a number of Prairie Horned Larks, with a few Vesper Sparrows and Slate-colored Juncos, crime about our farm buildings in their apparently unsuccessful search for food. I gathered up several shovels of hayseed from the barn floor and scattered it upon the nearby snow. They began working on it at once and could hardly be driven away from it. Of course, it was soon buried by the snow, but by replenishing the supply frequently, they had food most of the day. That afternoon I made a survey of a nearby wood to ascertain to what extent the blizzard was affecting bird-life. Robins were humped up in the trees and bushes. A Black-crowned Night Heron, snow-bound, sat dejectedly in a tall tree. I saw a Vesper Sparrow with a large chunk of snow stuck to its tail, which by its weight rendered that member practically useless. My greatest surprise came when I found a number of Myrtle Warblers. During...
