Sehds Working Paper 2002-12: Defining and Redefining Poverty (Paperback)

By Kathleen Short, Et Al

Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.In 1995 the National Academy of Sciences (NAS) Panel on Poverty and Family Assistance released a report, Measuring Poverty: A New Approach, which offered recommendations for improving the official poverty measure. In 1999, the Census Bureau released its first report on experimental poverty measures which implemented most of the NAS Panel recommendations, as agreed upon by a technical working group on poverty measurement chaired by the Office of Management and Budget. Following further research and discussion, a second Census Bureau report was released in 2001. This paper summarizes these efforts and focuses on current challenges. Elements of the experimental measures which continue to receive scrutiny include: the calculation of work-related expenses and childcare, the valuation of housing subsidies, the calculation of medical out-of-pocket spending, and adjustments to poverty thresholds for geographic cost-of-living differences. We also discuss other concerns faced in poverty redefinition efforts, such as determining which methods are conceptually, methodologically, and operationally the most appealing, and incorporating experimental measures in future reports and research.

Reviews

Merely no words to spell out. It is amongst the most awesome publication i have read. Your life span will likely be transform as soon as you full reading this book.

-- **Marvin Okuneva**

Completely among the best publication I have got at any time go through. I have got go through and so i am confident that i will likely to read again once more down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
