Whitman Publishing, United States, 2014. Paperback. Book Condition: New. 168 x 142 mm. Language: English . Brand New Book. Grid-down situations make personal protection much more of an imperative than in everyday life. This second guide covers different methods of self-protection, including firearms, knives, and tasers. We offer information on situational awareness and real world scenarios. Included in the book are suggestions for types of weapons that are best-suited for specific situations that can arise in a disaster scenario, and even non-lethal weapons are featured. The last section discusses other practical gear you will need, like holsters and flashlights. The goal of this book is to help you acquire the right types of weapons and gear to protect yourself and your family in a grid-down situation.
