Great job! We all love receiving words of encouragement, especially when those words come from a mentor or someone we admire. When the churches received the letters that are now titled 1 John, 2 John, and 3 John in the Bible, that s exactly what they saw. These letters of encouragement from the apostle John are full of assurances and encouragement for the believers. We can know that we have salvation. We can walk in love every day. We can overcome the world! John s simple messages hold such profound truths that each and every verse is a treasure. As such, this devotional takes each verse day by day and briefly discusses a truth from that verse and a response back to God in prayer to help apply that truth each day. Designed to be read in less than five minutes each, the 112 devotions listed in this book help bring these letters of encouragement alive as readers seek to apply God s truths from these beautiful letters to their lives.
