Veloce Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Honda CBR600 Hurricane: 599cc. 1987-2010, Peter Henshaw, Many words have been written about the Honda CBR600 (or the Hurricane, as it was named in the USA), about its history, performance, lineage and specification, but few tell you what to look for when buying one second-hand. That's what this book is about - it aims at being a straightforward, practical guide to buying a used CBR600. It won't list all the correct colour combinations for each year, or analyse the bike's design philosophy, or consider its background as a standard-setting sports bike, but it will help you avoid buying a dud. Point by point, it takes the reader through everything that needs checking when buying one of these Hondas, plus spares prices, which is the best model to buy for your needs, and a look at auctions, restorations and paperwork.
