Follow the Trail: Trucks

By DK Publishing, DK

DK Publishing (Dorling Kindersley), United States, 2016. Board book. Book Condition: New. 239 x 239 mm. Language: English . Brand New Book. Trace the trails around all the different types of trucks! Follow the Trail: Trucks includes activities that teach preschoolers about shapes, sorting, and matching, as well as developing their hand-eye coordination and pre-writing skills. From diggers to tow trucks, every page of this six-spread truck board book has a bright and bold trail to trace. With bright, glittery, and bumpy trails, toddlers can follow the trail of an unloading dump truck or help firefighters climb a ladder to rescue a kitten in a tree. Peek through peepholes and see tiny truck characters that chug along the pathways, heading for different destinations. Perfect for hands-on learning and sensory play, Follow the Trail: Trucks explores the exciting world of trucks while building fine motor skills.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
