Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It's Not About the Pain Often misunderstood, women who have experienced a natural birth know there's more to it. The pain is part of the process but the rewards are greater. And now you are here, wanting a natural birth and wondering exactly how you can do it. In *I Can and I Will*, the author shares her path from having a low pain tolerance to two natural births: one at a birth center, one at home, both with a midwife attending. Filled with inspiring natural childbirth experiences, birth stories, and practical advice from over 65 natural birthing women, *I Can and I Will* empowers you to do what you can during pregnancy to set the stage for a natural birth. Challenges to Natural Birth Fear about the pain or of losing control of your emotions and behavior is normal; if not addressed it can be a challenge. If your birth knowledge comes from dramatic TV shows, it can be a challenge. Some caregivers have practices and policies that may make natural birth harder to achieve. Friends and family may share negative stories, which may impact your belief in yourself. Being semi-committed and not planning for a natural birth can be a challenge. Just because it's natural doesn't mean you don't need to prepare for it. But how do you prepare for what you don't know and can't predict? *Five Keys to Overcome the Challenges I Can and I Will* is a natural childbirth guide that details five keys to natural birth, which will help you: Turn your desire into determination to carry you through the hard work...
