THE ART OF SENSUALITY AND ITS IMPACT ON GREAT STRING PLAYING

Authorhouse. Hardcover. Book Condition: New. Hardcover. 114 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. One of the major frustrations of my professional musical life has been the continual reminder of how few talented young string players, even those with exceptional instrumental skill, seem to truly understand the importance of reflecting their very own personal emotional experiences within the fabric of their musical interpretations and performances. Consequently I have devoted a great deal of my teaching efforts to helping these potential artists better understand the critical importance of this element and to develop the skills necessary to facilitate the natural merging of their inner-most emotions with their instrumental facility. My original purpose for authoring this book was to create a lasting way in which to share my resulting theories and methodologies with regards to this ever so critical ingredient to the process of successful musical communication. Now that this project is complete I must agree with the opinion of a number of my trusted colleagues and friends: many theories, concepts and methods described in this book could indeed provide benefits to a far broader audience than those exclusively focused on string playing. I am hopeful that performers from all of the arts as well as any interested and receptive individuals from all walks of life may...
