Absolute Press. Paperback. Book Condition: new. BRAND NEW, Morrissey (New edition), Pat Reid, Pat Reid delves into the hushed, dark territory that surrounds one of pop's most enigmatic and compelling figures, addressing the question of Morrissey's sexuality and its effect on his music. Morrissey's only public statement about his sexuality is that he is celibate. If Morrissey is the quintessential 'gay artist', why is the gay community so indifferent or, indeed, hostile, to him? This is the first book to examine the man and his work in relation to his sexuality.
