

## Everything You Need To Know About Math Homework: A Desk Reference For Students and Parents

By Zeman, Anne; Kelly, Kate

Scholastic Reference, 2005. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!

Summary: The newly revised and updated Everything You Need to Know About Homework series provides kids and parents with a quick refresher to 4th through 6th grade curriculum topics. The organization and scope of these concise homework-help guides make them an essential reference resource. Researched according to middle-grade curriculum and current textbooks, and created in conjunction with subject experts, these titles answer kids' most frequently asked homework questions. In MATH, students will find everything from decimals to geometry, from statistics to probability.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
